- Quotes are readily available for quantities and oversized/odd-sized prints. Larger sizes and varying thicknesses of listed mounting materials are also available.
 - Rush projects will require a 50-200% expediting charge depending on complexity and scheduling requirements. Please be advised GGE consistently makes every effort to maintain the highest standard of quality with every graphic we produce. However, we are unable to guarantee the color or mounting quality with jobs submitted for rush services.
- ** Plex mounts are available as *First or Second* surface. Lexan mounts are Second surface.
